Five free cleansing spells

Basic cleansing ritual

1 cup Sea salt

1 gallon spring water

Using your fingers, dissolve the salt into the water. Take a portion of it with you in a bowl, stirring it with your hands while visualizing cleansing the area and getting rid of all the unwanted energies. As you walk through the area, sprinkle the water everywhere with your hands, taking extra care in corners, closets, dark spaces and the roof.

Animal Allies Spell

This cleansing spell will create a continuous cleansing action. For this spell, you will need animal replicas such as rubber toys, charms, pictures or paintings of animals such as crows, deer, jackals, coyotes and doves, etc.

Place the animals around the area that needs constant cleansing. Arrange a ring around them with powerful stones such as malachite, amethyst or quartz crystals.

Periodically, hold a white candle and charge it with your intentions. Place it in the center of your altar and light it. Visualize the flame sucking all the negativity in the area into the fire and purifying the area.

Broom Cleansing Spell
