## Five Magick Witchcraft Spells

### Five Magick Witchcraft Spells

#### Broken Mirror Antidote spell

Many people believe that breaking a mirror causes seven years of bad luck. Is that true? If you believe it, it could become true due to the power of your mind. If you are worried about it and keeps wondering if you have messed up your life, try the following antidote spell.

When a mirror breaks, carefully gather up the pieces carefully with gloved hands. Also try to get all the glass dust as well. Put the entire collection into a paper bag. Make sure that the paper is thick and will not allow the glass to poke through. You may use a fabric bag instead of the brown paper bag to collect the shards of glass.

Now go to a fast moving stream or deep river and throw it in so that your misfortune (if any) will be carried away by the force of the water.

#### Wishing Fan

Get a piece of white paper and fold it accordion style so that it resembles a fan. Use a pen with natural ink and write down a wish on every fold of the fan.

You may even write the same wish on every fold. Now close your eyes and concentrate on your desires that you have declared on the fan folds.

Light a candle and burn the fan while you visualize your goals being accomplished. If the fan burns out completely your wish will be successful.

Otherwise, you may need to work on something in your life that may have to be completed before these goals can be accomplished.

### Santeria Get Engaged Spell

This spell is sometimes used as an invocation to Oshun, the spirit of Love. It is also used to request Oshun's assistance in a stalled romantic situation.

STEP 1. Using a knife shape a large lily bulb into a magick lamp. Cut off the top and hollow out the inside so that it will hold some oil and a wick.

STEP2. On a small piece of paper, write the name, birthday and address of the person you are in love with.

STEP3. Fold the paper into a small size and tuck it into the bulb.

STEP4. Sprinkle ground cardamom, cinnamon and Grains of paradise on the bulb.

STEP5. Fill the bulb cavity with sweet almond oil. Create a wick from soft cotton fabric while visualizing the union of the lovers.

STEP6. Make the invocation to Oshun and request her sacred assistance.

STEP7. Burn the wick. Repeat for five consecutive nights for best effect.

### Get Engaged Rosemary Wand

Make a wand with a sprig of rosemary. Tap your lover's ring finger three times with this wand and you will be engaged within one year.

### Gambling Powder

Make Algiers Powder by mixing and grinding cinnamon sticks, dried patchouli leaves and vanilla beans. On a piece of brown paper, write down the amount of money you need. Sprinkle Algiers Powder all over the paper. Fold it and burn it while visualizing the outcome. Sprinkle the ashes on your shoes before going out to gamble.

Brightest Blessings.
