Five Egyptian Love Spells

The power that radiates from all life was called "heka" by the ancient Egyptians. As many of us are aware, Africa is the cradle of civilization and it is believed to be the place where witchcraft was born. It was the discovery of ancient Alexandrian Magickal Papyri spanning centuries of wisdom, magick and history that evoked so much interest in a way of life that was denounced by the arrival of man made religions and powerful organizations that claimed to be agents of the ONE.

As people spread out of Africa and into Europe and the Americas, vast amounts of information were transferred mainly through word of mouth to the rest of the world. Alexandria was the capital of Egypt for some time and it was well known as the world-capital of magick. Spells for divination, dream interpretation, healing, etc. were common. Foreigners like Pythagoras came to study in Egypt because of its reputation as a melting pot of different cultures. As cultures merged and exchanged ideas, a large variety of magickal traditions blossomed in Alexandria.

Here are some Egyptian love spells for you:

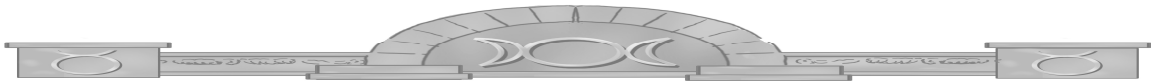

Love Incense

Use this powder in your love spells or burn it on a charcoal block to draw love or to reunite lovers.

For this spell, you will need:

1 drop rose oil
3 drops honey
Half ounce benzoin
Half ounce cinnamon
Half ounce galangal

Half ounce frankincense
1 ounce myrrh
A pinch of dried and powdered orris root

Add your own energy into this love powder by mixing the benzoin, cinnamon, galangal, frankincense and myrrh in a large glass bowl. Add the honey and rose oil as well as the orris root and mix with a wooden spoon. Mix thoroughly as you recite the following:

By the ancient and mighty power of Isis,
Let this love powder be charged!

Cover the bowl and grind it finely to create the love powder.

Egyptian Invocation

There are magically transformed names of Osiris and Seth. Use this invocation and visualize your desire at the same time to create your dreams.

O Oualbpaga!
O Kammara!
O Kamalo!
O Karhenmon!
O Amagaaa!

Egyptian Love Knots

For this spell, you will need:

Four white linen threads
Four green linen threads
Four blue linen threads
Four red linen threads
Dove's blood ink
Red bag or pouch

Twist the linen threads until they form a rope and stain them with the Dove's blood ink. Whisper your desires over this rope and tie a strong knot with it. Wrap it in red silk and keep it in a sacred place.

Red Ribbon Spell

For this spell, you will need to get something from your own body such as hair, nails and a drop of blood. Get a similar item from the body of the one you love (or wish to attract). Also get a small piece of paper and a red ribbon.

Place the things that you collected from your body and the body of the other person on the paper. Wrap the items in the paper well so that it looks like a little package.

Using the drop of blood, write your name and your lover's name on the red ribbon. Tie the ribbon into a knot so that your names are together forever. Carry this package with you for three days. At the end of the three days, burn it and bury the ashes.

Three Hairs Spell

For this spell, you will need to get three hairs from the person you desire. Also get three of your hairs. Now get a piece of red yarn and three bay leaves. Also get some Vervain.

On a new Moon day, bind the six hairs together with the red yarn while concentrating on your desire. Burn the hair with bay leaves and vervain in a Friday night.
